

# Welcome to Lyons

Utilities 402-687-2485

---

- There is a \$300 utility deposit to have utilities in your name. The deposit is returned in two years with good payment credit, or if you move first. Your deposit is applied to your final utility bill, and the remainder is returned to the customer.
- We have electric, natural gas, water, sewer, and garbage service on one bill.
- Utility bills are mailed out around the 10<sup>th</sup> of each month and are due by the 25<sup>th</sup> of the month. After the 25<sup>th</sup> of the month, penalties are incurred. The utility bill is for the prior month consumption. If the utility bill is not paid when due, all utilities will be shut off. Before utilities are turned back on, the delinquent bill must be paid in full. See Fee Schedule for additional fees/penalties.
- If you prefer, we have automatic bank withdrawal of utility payment between the 20<sup>th</sup> and 25<sup>th</sup> of the month. An authorization form must be filled out with a voided check attached and returned to the City Office before the first withdrawal takes place. The bank does not need to be local.
- You can pay online as well on our website: <https://lyonsne.com/payment-options>
- There is a gold-colored drop box slot outside the City Offices (east of the main entrance doors of the Lyons City Hall) to drop off utility payments.
- City office hours are Monday to Friday 9am – 4:30pm.
